Section 6311 of title 5, United States Code, authorizes collection of this information. The primary use of this information is by The American Indian Center of Arkansas (AICA), to establish your payroll account. Additional disclosure of data on your application will be reported to our funding source, Department of Labor, for validation required by the Older American's Act.

Public Law 104-134 (April 6, 1996) requires that any person doing business with the Federal Government furnish a social security number or tax identification number. This is an amendment to title 31, Section 7701. Furnishing the social security number, as well as other data, is voluntary, but failure to do so may delay or prevent action on the application. If AICA uses the information furnished on this form for purposes other than those indicated above, it will provide you with an additional statement reflecting those purposes.
